I we would like to invite everyone to attend our August 9th meeting at Dale and Sandy Winn’s home, as we will have a guest speaker there, Dr. Jesse Sanders from Aquatic Veterinary Services from Santa Cruz, CA. She will be discussing koi health and will be doing a presentation and have handouts along with answering any koi health questions. She is taking time out of her busy schedule to talk to us and I hope you can come visit our meeting and talk and listen to her speech.

Everyone is welcomed to attend including outside club members from other clubs and anyone interested in joining our club.

Here is her bio from her website: www.avsnca.com

“Dr. Sanders received her B.S. in Marine Biology from the University of Rhode Island and DVM from Tufts University. With over 4 years of experience working in public aquaria, Dr. Sanders brings her knowledge of aquatic animal medicine to your aquatic pets at home! Dr. Sanders is a member of the World Aquatic Veterinary Medical Association, the American Association of Fish Veterinarians and the American Veterinary Medical Association. “

She will be here for the whole weekend so if you are need of a fish vet, please contact her at 831-278-1081 or by email at ncfishvet@gmail.com. We do not have access to a vet who specializes in koi so this is your opportunity to come meet one and discuss any issues or questions you may have regarding the health of your koi.

Don’t miss out on this opportunity and I hope to see everyone there on Saturday, August 9th at 2pm at Dale and Sandy’s home located at:

1276 W. Alluvial Ave, Fresno, CA 93711

In Memory of Janet Vukovich February 6, 1934—July 19, 2014

The club lost one of our longtime members and former club secretary, Janet Vukovich on Saturday, July 19th 2014. Janet always had a smile on her face and was friendly and welcoming to all. She served for club secretary for a long time over 20 years, and the club was grateful for her service to the club.

I worked with Janet at the koi show and volunteered with her at the home show at our club booth, she was a sweet woman and will be truly missed by the club, and her friends and family.

PRESIDENTS CORNER—Rosimeri Tran

Hello everyone,

I hope this heat is not beating down on both you and your koi, try to remember if your pond is not shaded that providing shade even if it means using an umbrella may give the koi some relief, also try to do water changes as adding fresh water may help cool the water down a bit and don't forget to add dechlorinator when doing so. Our koi show plans are falling into place I am almost sold out of vendor space and our show tanks are going fast as well, I would like to make this a great show and in doing so will need your help to volunteer. There are many opportunities available such as setting up on Friday morning, help with the information booth, or just being available to answer any questions the public may have, and of course the tear down on Sunday. I will have sign up sheets at the August meeting as well as September, but if you are interested in any of the above please let me know as well at 559-970-8508 or email at cencalkoi@gmail.com. Our August 9th meeting will include guest speaker Dr. Jesse Sanders so let's make her welcome by coming out to meet her and listen to her speech on koi health. Raffle tickets have been printed and will be available at our August meeting as well, we always ask members to take two books and sell prior to our koi show so please help us support the club, as these funds are what help put on the koi show. Our prizes this year are 1st place—49" Magnavox TV, 2nd Place—32" Sanyo TV, and 3rd place—\$100.00 VISA gift card, so don't miss out on this opportunity to get a brand new TV.

So see you soon!
