## September 9th General Meeting Minutes—By Sandy Winn

The September 9th meeting was held at the home of Rosimeri and Seng Tran, we discussed the upcoming koi show and passed around volunteer sign up sheets. There was discussion on the vendors coming to the koi show, the donations we received and when set up would be and how we would handle the raffles. We discussed Dr. Jesse Sanders findings on the koi she examined at Marilyn & Pete Millers, Tony and Nancy Palazzo and Rosimeri & Seng Tran. For the most part nothing serious was found, in the case of Rosimeri and Seng's koi they were advised to feed sinking koi food so that koi would have access to food. We had a raffle with various items, then the meeting was adjourned to allow members to socialize and have refreshments.

The September 15th board meeting was held at the home of Sandy and Dale Winn, the board went over the final details regarding the September koi show, discussing the donations received, vendors and exhibitor information. Due to the number of wet booths at this years show we ran out of our show tanks and we borrowed 6 tanks from Bakersfield club, these tanks will be returned to their club in October. Those exhibitors traveling from out of town will be allowed to leave at 12pm. We talked about picking up the trailer and reviewed when we would wash the show tanks and return the trailer to Weaver's home. There was discussion on setting up the electrical extension cords to the vendor wet booth. The raffle was scheduled to happen at 1:00 p.m.

Hello everyone,

Well the show is over and what a fabulous show it was, thanks to the help of all the club member volunteers, the vendors, and the exhibitors, none of this would have happened. There were 14 tanks with 91 koi, and with 3 judges it went quite smoothly.

Grand Champion was awarded to Gordon Chibana for his size 5 Goshiki; Reserve Grand Champion went to Chien Lee for his size 6 Sanke; Reserve Grand Champion B went to Chien Lee for his size 5 Goshiki (pictures on cover of newsletter). We had vendor booth space sold out, and even had a member only wet booth area to accommodate all the sellers. This year we had three donated to our club by Judge Andrew Moo of Andrew's koi, so we had our first koi auction at the show, club members J.R. and James donated some koi as well as Gordon Chibana, donated a size 7 Hikari Muji koi which helped bring in some extra funds for the club. A koi show is quite an undertaking, a lot of work setting up, running the show and tearing it down, but with all the club members pitching in we got it done and after 36 years I would hope this continued support and volunteerism continues in the years forward so many generations can continue to see what a koi is and how great the hobby has become. I hope you were able to come out to Fig Garden to enjoy the koi show and if not The Bakersfield koi show is coming up on October 25<sup>th</sup>-26<sup>th</sup>, Seng and I will be there with our koi and hope that you will make an effort to come drive down and check out how our sister club puts on a koi show.

Our October meeting will be held on Saturday, October 11<sup>th</sup> at 2pm at the home of Bob and Nina Garrison, this is an election year for Officers, at present Dale and Sandy have decided not to run for a second term, Seng and I are willing to run for a second term, I will be needing nominations for the Vice President and Secretary positions and if possible a board member too, we can't run this club without your help, so we are asking for you to step up to the plate and help us out, so this club can continue to thrive as it has done in the last 36 years, I know I can count on your help and thank you for all that you do, so please consider one of these positions and I hope to see you on October 11<sup>th</sup> at the Garrison's.

The Bakersfield Koi & Water Garden Society will be hosting their 15th annual koi show at the Home and Garden show at the Kern County Fairgrounds on October 24th thru October 26th. This will be the last California koi show this year and a great opportunity to see how sister club puts on a koi show. You can enjoy seeing the beautiful koi and also shop during the home show to pick up some goods for the upcoming fall and holiday season. We would encourage all of you to attend this wonderful show, Seng and I will be down there with our koi exhibiting and it would be great to see some familiar faces supporting our koi and this show. It is only a few hours away and well worth the drive.
