# Fresno Koi Show September 26-27, 2026

Dear Community Partner,

The Central California Koi Society (CCKS) is hosting its **46th Annual Fresno Koi Show at Woodward Park next to the Shinzen Friendship Garden**. *Please help spread the word about this great community event and promote awareness for our beautiful Shinzen Friendship Garden.*

**Admission is free for the Koi Show and the event is open to the public.**

*The koi fish exhibited are 6 to 36 inches long!*

Local and out of the area vendors sell koi at the show. Many koi are imported directly from top breeders in Japan. The koi exhibited at the koi show can be of superb quality and some exhibitors have spent \$\$\$\$\$ on a single koi!

There are hundreds of koi fish at the show, plus art, décor, and food trucks for guests to enjoy.

With over 1,500 people in attendance each year, this highly anticipated and fun-filled event is CCKS's main fundraiser. Proceeds are used to host the show and to continue the centuries of tradition, art, and culture of koi and pond keeping flourishing in our community. CCKS donates to the Shinzen Friendship Garden to support their koi pond and koi health.

The Fresno Koi Show is one of the longest standing events of its kind in California and the Nation. It brings together local and out of the area hobbyists and enthusiasts to share their passion and knowledge with the public. Koi are like living art with a variety of patterns, breeds, and colors. They make amazing pets and can be extremely friendly and hand-fed.

Please help share the news about this great community event and the Shinzen Friendship Garden. **Thank you for supporting the Central California Koi Society and art and culture of our community!** Find us on Facebook or online at [cencalkoi.com](http://cencalkoi.com).
